

The Magic Roundabout Childcare Centre

OUR AIMS AND OBJECTIVES

The Aim of the Centre is to provide parents/ carers with a High quality childcare facility that enables all young children to develop to their full capacity. We encourage all children to become successful learners, confident individuals, responsible citizens and effective contributors.

Our aims is to ensure we meet the standards set out in the Care Inspectorate “health and Social Care standards”.

Our mission is to.....

Provide a safe, secure and stimulating environment for all children to learn and grow.

We will...

- ❖ Be committed to following policies and procedures to ensure the health and wellbeing of the children are at the forefront at all times
- ❖ Provide opportunities for
- ❖ Ensure the ‘Realizing the ambition’ and ‘Curriculum for Excellence’ documents are used when planning opportunities and experiences.
- ❖ Promote healthy eating and lifestyle.
- ❖ Promote opportunities for free flow play indoors and outdoors and opportunities for spontaneous, imaginative, creative and inquisitive play.

Follow child lead play and pedagogy in line with the Realizing the Ambition and Curriculum for excellence / Building the Curriculum 2 document’s .

We will...

- ❖ Strive to promote a child lead environment, where children can initiate, chose, plan and take responsibility for their learning experiences.
- ❖ Strive for each child to grow and develop into responsible citizens, confident individuals, effective contributors and successful learners.
- ❖ Encourage children to make decisions and solve problems which promote active learning.
- ❖ Ensure opportunities and experiences provide children with; challenge, enjoyment, progression, depth, breadth, choice; in addition is, relevant, clear and personal.
- ❖ Be committed to providing children with opportunities for outdoor play experiences that promotes the development of resilience, problem solving skills, confidence, co-ordination, wellbeing and strength. Where they have the freedom and space of the outdoor environment and local community to learn about the world around them.

Work in partnership with parents/ carers to involve them in their child's growth and development, ensuring each child is safe, healthy, achieving, nurtured, active, respected, responsible and involved (SHANARRI) . Working with outside professionals to support child plans and children with additional support needs.

We will...

- ❖ Respect and build on parents/ cares home values, beliefs, cultures and routines
- ❖ Work closely with parents and carers involving them in the life of the centre and in their child's development and learning
- ❖ Promote equal opportunities for all regardless of age, gender, race, religion or ability
- ❖ Support and encourage positive transitions between home and nursery, and nursery and school.
- ❖ Support children with additional support needs making sure they develop and learn to their full potential.

Ensure continued professional development by attending formal training, in-house training, self-taught research and by reading relevant up to date legislation and best practice.

We will...

- ❖ Be registered with the Scottish Social Services Council and adhere to their codes of practice at all times.
- ❖ Ensure staff are committed to following the guidelines set out in the SSSC code of practice.
- ❖ Keep up to date Continuous professional development and take part in training for best practice.

Be committed to self – improvement: Working to ensure we maintaining quality

Standards through out the centre inline with guidance from 'How Good is Our Early leaning and Childcare'

We will...

- ❖ Regularly reflect, evaluate and monitor our working practices to ensure continued improvement in performance; using self-evaluation document's, 'How good is our early learning and childcare'. Refereeing also to 'Realising the Ambition' document.
- ❖ Involve staff, children and parents on the centres improvement journey.
